Youth Initiative

Mary created 'Instruction Guidelines' and 'Application'

Met with Ferndale superintendent re: groups at the school that might be interested in funding.

Progressive Youth Assembly did an event 'March for your Lives' and voter registration last weekend, will likely turn in some receipts.

Had planning meeting at Biggby last Tuesday.

Prepping for quarterly meeting on April 24th at Affirmations, 7-8:30pm

One organization has committed to come and talk to members

Cannot remember the name at this time, but they are putting on a two-day anti-racist conference at Baker College in May.

April inclusion challenge - read a book or essay on inclusion - source from the race and culture inclusion book list.

Has not yet gone out to FIN email list. Has only been posted on FB so far.

CFF has an email list with 200+ people that only sends out emails a few times a year.

Is it appropriate to share email list with FIN?

No opposition to Kat sharing CFF email list with FIN. Group felt that it was appropriate as FIN started as a sub-committee of CFF.

Mary will provide children's books to add to challenge.

Bowling Fundraiser

Original date - April 28th around noon, half the lanes are booked already for a children's party. Back-up potential date May 5th (Cinco de Mayo).

Bowling fundraiser moved to May 5th.

Rollout of 'Save the Date' to start next week.

Kat will send emails to list and post on social media. Paul will post some flyers.

Funds will go to Youth Initiative.

\$25 per person to attend (bowling, pizza, raffle).
