

November 6th 2018 CFF Board meeting

#### Candidate Forum

Facebook live worked out well. We are getting likes and shares and views on facebook. When another candidate forum/school board election comes up, we should consider ways to include the Hazel Park School Board because a large part of East Ferndale attends Hazel Park schools.

We should do this early October in the future because of the increase in early and absentee voting.

We could include deadline for declaration of intent to be a write-in candidate if we hold the forum earlier, so that people know that that's a possibility.

We did not spend any funds!

#### Youth Initiatives Grant

Kat emailed superintendent to remind her that we have money for youth-led initiatives. Two staff members from elementary school teachers asked for modest amounts for a green initiative and a leadership group, \$200 and \$29 mostly for pizza and soda.

We should fund them.

We should use this opportunity to revamp our instructions/application to give more guidance to students about student leadership

The committee will take a look at instructions.
